3,000 CHRISTIANS SLAIN BY TURKS?

Only Ten Men of Entire Population Reported to Have Escaped Butchery by the Sultan's Forces at Mehomia.

SOFIA, Oct. 2.—The Macedonian revolutionary headquarters here today have positive information that the whole Christian population of the town of Mehomia (Razlog), Province of Seres, was massacred Sept. 28, with the exception of ten men, who escaped with the news.

Mehomia is an important town and the seat of the local government. The population was about equally divided between Turks and Bulgarians. The latter numbered 230 persons.

According to the fugitives, when the general rising was declared in the Razlog district on Sunday, the Turkish troops in the Pirin Mountains hurried to Mehomia and surrounded the town, rendering the escape of the Christians impossible.

The Bulgarian population were prepared to join in the rising, several insurgent agents being in the Bulgarian quarter of the town at the time. Desperate fighting occurred in the streets, bombs and dynamite being freely used.

After fighting for five or six hours the Turks gained the upper hand and proceeded to massacre every Bulgarian they encountered.

TURKS BREAKING THE MACEDONIAN REVOLT.

SOFIA, Oct. 22.—According to advices received here this afternoon the backbone of the revolution in Macedonia is broken, the Turkish troops are gaining the upper hand everywhere, several insurgent chiefs have been killed or wounded, others are abandoning the struggle and fleeing to the frontier, the revolutionary bands are sustaining heavy losses and are seeking refuge in large numbers and the Turks occupy every important point along the routes of retreat to the frontier.

TWO HIGHWAYMEN HOLD UP ARTIST

Detectives Witness Attack on John Schaeffer—The Robbers When Caught Knock Down an Officer and Kick Him.

Passing through West Twenty-sixth street, shortly after midnight, John Schaeffer, an artist, of No. 213 West Twenty-seventh street, was held up by two footpads and robbed of his pocket-book, containing \$5.

The attack was witnessed by Detectives McIver and Quinn, of the West Twenty-sixth street station, who chased the footpads. After flight of three blocks the men were cornered and put up a desperate fight. During the encounter McIver was knocked down and kicked, and before the highwaymen submitted Quinn was forced to threaten to shoot them.

The prisoners described themselves as Thomas Moran, of No. 315 West Forty-fifth street, and John Ryan, of No. 435 West Thirty-third street. The detectives allege that the men are members of "Dutch" Jordan's gang.

They are suspected of being concerned in the assault a few nights ago upon Park Row bartender who refused to reveal the combination of the saloon's safe.

Moran's real name, according to the

police, is McCauley. He is a powerfully built man and said by the detectives to be a most desperate character.

Artist Schaeffer, a slender little man, appeared before Magistrate Pool at Jefferson Market Court this morning and told the story of the assault and robbery.

He said that McCauley, alias Moran, stopped him, saying "Hello, doctor," and then plied him with questions, and made any outcry he charged that Ryan took the purse containing the money from his trousers pocket.

The attack occurred on the block between Seventh and Eighth avenues, and the fugitives were caught on Twenty-seventh street near Sixth avenue.

Magistrate Pool held the prisoners in \$2.00 bail each for further examination to-morrow morning.

EIGHT HOUR LAW STANDS.

Court of Appeals Decision Affects Only One Section.

ALBANY, Oct. 2.—The State Commissioner of Labor, John McMaikin, today made public a letter from Attorney-General Cullen, in response to an inquiry by the Labor Department as to the present validity of the eight-hour law, referring especially to the recent decision of the Court of Appeals in the Orange County road construction case.

The Attorney-General holds that the decision refers wholly to the constitutionality of the single section, 384 H, and has no other effect upon the law as a whole.

"I do not see," says the Attorney-General, "that the question affects the powers and duties of your department."
